

## Planting Guide

Figuring normal stand reduction through the season. Multiply spacing by number of kernels dropped.

| Harvest Population |          | Planting Rates | Inches between seed when planting at these row widths. |      |      |      |      |      |      |      |      |     |     |
|--------------------|----------|----------------|--|------|------|------|------|------|------|------|------|-----|-----|
|                    |          |                | 15"  | 20"  | 22"  | 24"  | 26"  | 28"  | 30"  | 32"  | 34"  | 36" | 38" |
| 16,000             | requires | 17,800         | 23.6   | 17.6 | 16.0 | 14.7 | 13.6 | 12.7 | 11.8 | 11.0 | 10.4 | 9.8 | 9.3 |
